

2 July 2018

Dear Parents

Wrap Around Care

From September 2018 we are pleased to inform you that we have arranged for parents to be able to access before and after child care.

Transport will be provided by Ashbourne Community Transport, 01335 300670. They will collect children from the Mulberry Bush in the morning and bring them to school and at the end of the school day take the children to the Mulberry Bush. In order to secure transport parents will complete and submit a calendar form for each month in advance, to the school office, there will be a transport charge of £2.00 per journey.

We have been in touch with The Mulberry Bush, 90-92 Belper Road, Ashbourne, Derbyshire, DE6 1BD, 01335 342474, open from 7.30am – 6.00pm, they have confirmed to us that there are spaces available. Parents need to contact The Mulberry Bush direct to book a place for their child.

Attached to this letter is the first booking form to start on Tuesday 3 September 2018, which needs to be completed and returned to the school office **no later than Friday 13 July 2018.**

Future booking forms will be sent out to parents in a timely fashion to enable the transport to be confirmed and booked a month ahead.

If you have any questions relating to the above please speak to either myself or Mrs Kinman in the office, we will be happy to help.

Yours truly

Mrs J Naylor
Head Teacher
